JASON WATTS, TO BRING
THE MURAL TO LIFE

Dear Friends,

Before demolishing the existing building at 1400 West Monroe, we are pleased to sponsor this special community art event. The local community is a top priority for us, and it is important that we give back in every way possible.

During the design of 1400 Monroe, we not only considered the careful design of living within the home, but also how the building would live within the West Loop. Some of our community enriching design features include:

- Thoughtful architectural design complementing the existing neighborhood
- Tasteful exterior lighting
- Enhanced streetscape with planter boxes along Monroe and Loomis

We hope that you enjoy this event and the mural throughout the summer. Construction will begin this fall, and we hope that this will brighten your streets until then.

Happy Painting!

Jerry and Jordan Karlik
